

## **Project Engineering & Estimating Intern**

**Work Location:** Omaha, NE (In person)

**Company:** 7er Construction

**Part-Time:** Minimum 20 hours a week

We're hiring a Project Engineering and Estimating intern at 7er Construction!

Not sure whether you want to pursue the field or the office side of construction? This internship is designed to give you exposure to both paths to help you determine which best fits your strengths and interests by the time you graduate.

### **You'll gain hands-on experience in:**

- Quantity takeoffs and bid analysis
- Subcontractor coordination
- Cost estimating and proposal development
- Project documentation and scheduling
- Field exposure and site coordination

### **We're looking for someone who:**

- Is studying Construction Management or Engineering
- Wants hands-on responsibility
- Is a self-starter, dependable, driven, and eager to learn
- Values mentorship and team culture

### **Long-Term Career Pathways:**

After graduation, you'll have the opportunity to pursue:

- Field Engineer / Project Engineer
- Estimator

**TO APPLY:** Fill out the "Application Inquiry" form on [www.7erconstruction.com/careers/](http://www.7erconstruction.com/careers/) and attach your resume. Any applications without resumes will not be considered.
